

Dear FCC,

I am writing to request that the new broadcast service, LPFM, does not take priority over the current FM translator service. We listen to K-Love Christian Radio FM translator.

K-LOVE is a wonderful radio station with uplifting and positive message. It is safe for the whole family and we enjoy the commercial free, profanity free format. If K-LOVE went away it would leave a big hole in the community and remove a wonderful public service.

K-LOVE always keeps us up to date on local events of interest and provides us locations and contact information for where can get help, both physical and spiritual. K-LOVE has a blessing to my family and I for over 10 years and we believe that its message and mission are vital to the community at large.

Please do not take this FM translator service Radio Station (K-LOVE) and it's wonderful music and irreplaceable benefits away from our community.

Sincerely,

Robert Callaghan
